Item 9: 89/22 Footpaths update

Cllr Watson has contacted a local contractor but so far has not received a reply on whether they are interested in the potentially large project to convert stiles to gates.

Item 10: 90/22 Highways

Cllr Dick's full report can be found on the website [here](#), to include updates on the work progressing on Tile Barn Row and Trade St widening by the Doctor's surgery.

Cllr Dick declared an interest in the work by the surgery, due to the discussion on the placement of the HCC amenities during the Trade St works, which could be located next to his property. Cllr Dick will keep the council updated as to the proposed location on Trade Street for the amenities.

The Mount Road traffic concerns have been addressed by HCC and proposed signage has been received. The cost for the proposed signage would be approx. £5000. It was felt the cost was prohibitive, signs were too urban in appearance and a more rural sign would be suitable. Cllr Dick will respond to the HCC suggestions.

Precept and budget

To achieve a balanced budget for 23/24 for run rate spending (e.g. salaries, parish recreation ground maintenance, grass cutting, CCTV, footpaths, misc maintenance, SID running costs), the precept would need to increase by 16%.

However, Cllr Mitchell, Cllr Rand and Cllr Hurst cautioned that it was not advisable to increase by such an amount, being mindful of the cost of living crisis. A 6% increase was proposed: This would give the PC a budget deficit against income of approx. £3000 on run rate items (excluding any investment projects). However, no maintenance will be cut.

Full Council agreed to a 6% increase in the precept for 2023/24.

Action: Clerk to request precept.

Request from East Woodhay Society for grant towards King's Coronation:

Mark Rand on behalf of EWS asked whether the council would consider a grant of £500 towards the Coronation celebrations planned for 7th May.

Every councillor, excluding Cllr Rand (abstained due to being Chair of EWS), voted to approve the grant of £500, to be paid in April 2023.

Item 14: 94/22 St Martin's Guild

St Martin's Guild has funds available for the benefit of the parish, for example benches or trees, to commemorate the upcoming Coronation. Cllr Titcomb suggested this could be used for purchasing trees in the parish field. Cllr Watson suggested the stiles to and from St Martin's church could be replaced.

Item 17: 95/22 Items to carry forward to next meeting

Discussion of whether to pursue new EWP road signs, similar to those along the A343 in Highclere Parish.

China Coronation mugs as a gift to the parish.

Reports January 2023

Item 5: Cllr Thacker report

The highway works to construct the new footway on Tile Barn Row continue to progress well and are due for completion within the coming weeks. Following this, the contractor will move across to Trade Street to commence work on the carriageway improvements, drainage works and new parking layby at this location. The expectation is that the contractor will move to Trade Street from around 31 January. As mentioned previously, most of the work on Trade Street will be completed under priority-working traffic management or if necessary for certain activities, using temporary traffic signal control. Access through the works site for pedestrians and vehicles accessing adjacent

properties such as the doctors surgery is not expected to be affected, although on-street parking within the works and traffic management areas will be temporarily unavailable during the construction period. Works are still on track to be completed in March 2023.

The maintenance engineer we had for this area has moved on. I am in the process of engaging with the new engineer, as he settles into his new job. If there are any tickets that the PC would like me to follow up on, because they have not been dealt with in a timely manner, please let me know the ticket numbers.

Item 14: Finance Budget Proposal by Cllr Mitchell

EAST WOODHAY PARISH COUNCIL BUDGET PROPOSAL
2023/24
Presented to EWPC December 2022

1. SUMMARY

It is proposed that the budget for FY23/24 is an un-balanced budget (-£3,143) to continue to use the PC reserves. The precept is proposed to rise £1,903 (6%). This is below current inflation. The Parish has been working to reduce its capital on account through spending projects on assets and improved facilities for the parish. The Parish have effectively managed their budget and reduced the cost of run rate items through good management for the Parish council and associated funds.

For FY23/24 the Finance Committee and the Finance Chair recommend raising the precept from £31,720 to £33,623 (+ £1,903 6%). The Precept raise equates to an extra £0.97 per household per annum.

APPENDIX – FOR DISCUSSION

It is proposed that the PC raises the PRECEPT by 4% to ensure the PC income is kept rising in a reasonable manner with the cost of living rises.

	EAST WOODHAY PARISH COUNCIL			
	SUMMARY FOR FY23/24 BUDGET			1.06
	DESCRIPTION	VALUE		NOTE
	Income	£ 43,409		
	Expenditure	£ 46,552	£ 3,143	Assumption that EWPC will continue to receive rents in full and B&D extra funding on top of the precept
	Proposed Capital on Account 01/04/21	£ 45,000	7%	Assumption as from cash flow forecast as at 01/01/23
	NOTES			
	It is proposed that the budget for FY23/24 is an un-balanced budget (-£3,143) to continue to use the PC reserves. The precept is proposed to rise £1,903 (6%). This is below current inflation. The Parish has been working to reduce its capital on account through spending projects on assets and improved facilities for the parish. The Parish have effectively managed their budget and reduced the cost of run rate items through good management for the Parish council and associated funds.			
	For FY23/24 the Finance Committee and the Finance Chair recommend raising the precept from £31,720 to £33,623 (+ £1,903 6%). The Precept raise equates to an extra £0.97 per household
